RE: Docket No. 000121A-TP
Comments on Six-Month Review of BellSouth's Performance Assessment Plan

On July 28, 2004, BellSouth and the CLECs filed proposed changes to BellSouth's SQM plan in conjunction with the six-month review process. Staff created a template that identifies the parties proposed changes to each metric (column one). Staff requests that parties respond with an agreement or disagreement for each itemized change proposed by either BellSouth (column two) or the CLECs (column 3). Responses should be recorded in column four. For those areas of disagreement, please provide a basis for disagreeing. The template is filed in Docket 000121A-TP and can be downloaded from the Commission's website at www.psc.state.fl.us or be obtained by contacting Jerry Hallenstein at jhallens@psc.state.fl.us or (850) 413-6818. Please file responses in the docket and provide an electronic version to Jerry Hallenstein by August 27, 2004.
