Re: Call Processing, Inc.  
Reseller – Company Code: TJ458; Certificate Number 7710

To Whom It May Concern:

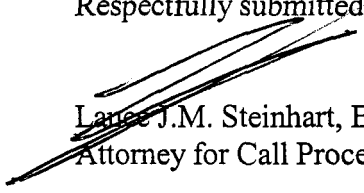

On behalf of the company, I hereby respectfully request to cancel Call Processing, Inc.'s (CPI) certification as referenced above.

This request is based upon CPI's determination that it no longer intends to provide telecommunications services in the State of Florida. Based upon the fact that CPI currently has no customers, CPI asserts that the voluntary discontinuance of its certification will have no adverse impact upon consumers.

I have also enclosed an extra copy of this letter to be date stamped and returned to me in the enclosed, self-addressed, postage prepaid envelope.

If you have any questions or if I may provide you with any additional information, please do not hesitate to call me.

Respectfully submitted,

  
Lance J.M. Steinhart, Esq.  
Attorney for Call Processing, Inc.
