They sent me some tariff sheet revisions with a 6/13/05 date. I picked the date up from those as their requested effective date. They sent the request in and it was date stamped 5/20/05. My mistake, that should be the effective date.

Can you revise Case Mgmt out to 7/29 and I will complete a CASR form and put it in the afternoon mail so I am not out of compliance. I will revise the memo and start it routing.

Thanks for catching this.

Toni, we noticed on this memo requesting closing of the above docket that the docket title has an effective included of 6/13/05, while the docket when opened had an effective date of 5/20/05 per your request to open docket.

Should the effective date have been/be changed to 6/13/05?
