COUNTY OF MIAMI-DADE)	AFFIDAVIT OF C. DENNIS BRANDT	

BEFORE ME, the undersigned authority, personally appeared C. Dennis Brandt first duly sworn, deposes and says:

1. My name is C. Dennis Brandt. I am currently employed by Florida Power & Light Company ("FPL") as Director, Products and Services. My business address is 9250 W. Flagler Street, Miami, Florida, 33174. I have personal knowledge of the matters stated in this affidavit.

2. With respect to Exhibit C, I have reviewed the document and information for which I am listed as Affiant and which are included in Exhibit A to FPL's Request for Confidential Classification of Materials Provided Pursuant to the FPL Connect Service Audit RCA #05-285-4-1. Documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information include but are not limited to: information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. This information, if made public, would cause harm to the customers or FPL's business operations and/or would impair the competitive business of the provider of the information. In addition, the confidential business information also includes customer-specific account information. FPL has a corporate policy not to disclose customer-specific information. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law, to entities or persons other than the customer without the permission of the customer. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such material should remain confidential for a period of not less than 18 months. In addition, it

should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of this document.

4. Affiant says nothing further.
