Re: Docket No. 060283-WU; Application for amendment of Certificate No. 363-W to add and delete territory in Marion County by Sunshine Utilities of Central Florida Inc.

Dear Mr. Eubanks:

Attached is a copy of the application of Sunshine Utilities application for amendment of its water certificate in Marion County. Pursuant to the Memorandum of Understanding between the Department of Community Affairs (DCA) and the Public Service Commission (PSC), the DCA has agreed to provide input on need for service and comprehensive plan consistency on applications for certificate amendments filed with the PSC.

This application is for the addition of one 80 acre parcel in Section 15, addition of one 20 acre parcel in Section 16, and a deletion of a 20 acre parcel also in Section 16. The utility is working with a developer who is anxious to begin construction in the 80 acre parcel, so if expedited review by your agency could be accomplished that would be appreciated. It is expected that a recommendation to our Commission will be filed by my staff on May 4th, and therefore input from the DCA by April 25, 2006 would be helpful.
