Per this document, I will return Confidential Document No. 08519-06 to the company.

When the revised information is filed with the Commission it will be given a new document number.

Thanks.

Please forward as necessary.

Florida Progress staff decided to pick the document after discussions with PSC staff.
Florida Progress staff will provide a revised document on or about 9/28/06 containing, in concept, comparable but different information.
Whether the same document number can be used for the revised document I don't know.
Regardless, the current document is of no further use to PSC staff and can be returned to Florida Progress.
Daniel Lee is returning document 08519-06 to CCA.

Thanks.
