Subject: Docket No 070052

Ann,

Per this request of the attorney for Progress, the testimony for each of the individuals listed in the email below should appear in both Docket No. 060642 and Docket No. 070052. The original docket, 060642 was bifurcated and we opened the second docket, 070052. Do I need to do anything else to make certain the testimony appears in both dockets?
