 - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information. (Section 366.093(3)(e), Florida Statutes)

DOCUMENT NUMBER - DATE

02850 APR-25

Testimony Page No.	Description	Rationale
Page 6, line 3	The Highlighted Number	(1)

(1) This number shows the percentage of Tampa Electric's natural gas usage that was protected from price volatility as a result of the natural gas hedging activities the company engaged in. Disclosure of this information would afford natural gas suppliers, brokers and hedging counterparties with inside information on Tampa Electric's hedging strategies and prioritizations. This could adversely impact Tampa Electric and its hedging activities and negotiations relating thereto. Consequently, this competitively sensitive information is confidential proprietary business information protected under Section 366.093, Florida Statutes and Rule 25-22.006, Florida Administrative Code.
