2. Date of Planned Service Discontinuance

Comcast Phone plans to discontinue its provision of interstate telecommunications service to the Jacksonville area customers on or after August 31, 2007, but no earlier than 31 days after the Commission releases public notice of this filing. Further, the proposed August 31, 2007 disconnection will be a “soft disconnect” only. Customers will continue to be able to call emergency services (“911”) as well as the Comcast Phone call center until September 30, 2007 (or one month after the authorized disconnection date).

3. Points of Geographic Areas of Service Affected

Comcast Phone currently provides interstate (and intrastate) residential telecommunications service throughout Florida. The proposed discontinuance would affect approximately 3700 customers in Jacksonville, Florida. Specifically, Comcast Phone sent letters via first class U.S. Mail to each of the affected customers on July 24, 2007, which included all the information required by 47 C.F.R. § 63.71(a)(1) – (a)(4), as well as the statement applicable to

non-dominant carriers set forth in 47 C.F.R. § 63.71(a)(5)(i). (Although the letters are dated July 25, 2007, they were, in fact, sent on July 24, 2007.) Copies of the notification letters are provided as Attachments 1 and 2. Exhibit 2 was mailed to customers who have asked that Comcast not send them any solicitations. Exhibit 1 was sent to all other Comcast Digital Phone customers.
