ORDER GRANTING PETITION FOR INTERVENTION  
TO BELLSOUTH TELECOMMUNICATIONS, INC., D/B/A AT&T FLORIDA IN DOCKET  
NOS. 070297-EI, 070298-EI, 070299-EI, AND 070301-EI

BY THE COMMISSION:

Rule 25-6.0342, Florida Administrative Code, requires each investor-owned electric utility (IOU) to file a comprehensive storm hardening plan for review and approval by the Commission. On May 7, 2007, Florida Power & Light (FPL), Gulf Power Company (Gulf), Progress Energy Florida, Inc. (PEF), and Tampa Electric Company (TECO) each filed its 2007 Electric Infrastructure Storm Hardening Plan (Storm Hardening Plan). Docket Nos. 070297-EI (TECO), 070298-EI (PEF), 070299-EI (Gulf), and 070301-EI (FPL) were opened to address each filing. On June 19, 2007, the Commission voted to set the dockets directly for a formal administrative hearing, with the additional mandate for Commission staff to conduct a series of informal workshops to allow the parties and staff to identify disputed issues and potential areas for stipulation. By Order No. PSC-07-0573-PCO-EI, issued July 10, 2007, these dockets were consolidated and set for formal administrative hearing.

By petitions dated May 30, 2007, BellSouth Telecommunications, Inc., d/b/a AT&T Florida (AT&T Florida) requested permission to intervene in Docket Nos. 070297-EI, 070298-EI, 070299-EI, and 070301-EI. In support of its Petitions, AT&T Florida states that it is an incumbent Local Exchange Company (ILEC) lawfully doing business in the State of Florida

whose regulated operations are subject to the jurisdiction of this Commission pursuant to Chapter 364, Florida Statutes. AT&T Florida alleges that any decision made by this Commission in the context of TECO, PEF, FPL, AND Gulf's Storm Hardening Plans will necessarily affect the substantial interest of AT&T Florida and its business operations in the State of Florida because AT&T Florida is a third-party attacher to these utilities' facilities.

Having reviewed the Petitions, it appears that AT&T Florida's substantial interests may be affected by these proceedings as it relates to TECO, FPL, PEF, and Gulf's Storm Hardening Plans. There has been no response filed in opposition to these requests. Therefore, the Petitions shall be granted. Pursuant to Rule 25-22.039, Florida Administrative Code, AT&T Florida takes the cases as it finds them.

Therefore, it is

ORDERED by the Florida Public Service Commission that the Petitions to Intervene filed by BellSouth Telecommunications, Inc., d/b/a AT&T Florida are hereby granted in Docket Nos. 070297-EI, 070298-EI, 070299-EI, and 07301-EI. It is further

ORDERED that all parties to this proceeding shall furnish copies of all testimony, exhibits, pleadings and other documents which may hereinafter be filed in this proceeding, to:

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
