

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition to determine need for Polk Unit
6 electrical power plant, by Tampa Electric
Company.

DOCKET NO. 070467-EI
ORDER NO. PSC-07-0746-PCO-EI
ISSUED: September 19, 2007

ORDER GRANTING LEAVE TO FILE
SUPPLEMENTAL TESTIMONY AND EXHIBIT

On August 22, 2007, Tampa Electric Company (TECO) filed a motion for leave to file supplemental testimony and Exhibit TJS-2 for TECO witness Thomas J. Szelistowski.

On July 20, 2007, TECO filed the direct testimony and Exhibit TJS-1 of Mr. Szelistowski to present the transmission costs associated with the proposed unit at issue in TECO's need filing. TECO asserts that the supplemental testimony and exhibit provide new information with respect to transmission costs that is essential to the creation of a full and complete record and would, therefore, assist the Commission in its deliberations on the matters at issue in this proceeding.

TECO has consulted with counsel for the Southern Alliance for Clean Energy (SACE), which has intervened in this docket¹, and represents that SACE does not object to the granting of TECO's motion.

Upon consideration, TECO's motion for leave to file supplemental testimony and Exhibit TJS-2 for TECO witness Thomas J. Szelistowski is hereby granted.

Based on the foregoing, it is

ORDERED by Commissioner Nathan A. Skop, as Prehearing Officer, that the motion for leave to file supplemental testimony and exhibit filed by Tampa Electric Company is granted.

¹ SACE was granted intervention by Order No. PSC-07-0695-PCO-EI. The order conditioned SACE's intervention upon SACE filing proof, by no later than the September 24, 2007, Prehearing Conference, that SACE has a valid certificate of authority issued by the Florida Department of State. Nothing herein shall be construed as modifying or superseding that requirement.

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
