RE: Cancellation of Telecommunications Certificate TX536

Dear Ms. Cole,

The Florida Municipal Power Agency (FMPA) requests the cancellation of Telecommunications Certificate TX536 for competitive local exchange services. FMPA has never provided any services utilizing this certificate and does not intend to do so. Enclosing is a check for six hundred dollars, which we understand is the minimum regulatory assessment fee for 2008.

If you need any additional information or documentation please contact me at (407) 355-7767.

Sincerely,

Tom Reedy  
Assistant General Manager  
Member Services and Information Systems
