Hi Kimberley,

Thanks you for your response. As we discussed on the phone CERISE provides information services to its subscribers on the regulation of electricity, natural gas and oil transmission. Although we are primarily oriented towards Canadian jurisdictions, we often include news alerts from the US when we consider them to be of interest to our subscribers. As I told you after we saw the news release on the Progress Energy refund posted on July 31, we have an interest in the Commission order which is expected to be released by August 20, 2007.

To be added to the mailing list in Docket 060658-EI, please find below my contact information.

Sincerely,

Alfredo Bertolotti
