Marguerite,

There are some documents that were filed in the generic docket (070000), but since that time, we now have a docket number established. Should the documents be moved over to the docket file (Docket No. 070626-EI)? The documents are a request for confidential classification (07971-07), the confidential information (07918-07), and the redacted information (07919-07). Do I need to do anything? Please let me know.

**Thanks for all your help,
Katherine**
