COMPLAINT INFORMATION

Utility Name: EI802 Florida Power & Light Company
Did customer previously contact the utility?: I believe it is time for the PSC to live up to its name and start representing the "public". The mier thought of permitting FP&L to consider a surcharge for storm expenses when Miami-Dade had personnel to help in Palm Beavh & Martin Counties is a shame. The current profict margin in billing every customer is excessive, the compensation and perksat the top are a disgrace to the public and to government. It is bad enough that FP&L is trying to bill each customer to support the growing need for additional power that will be needed. It's time for the PSC to live up to its name and start to SERVICE THE PUBLIC and not the large corporations that are running away with cost factors that are taken for granted. We need a group of members that are looking out for the public not the large corporations that are using the public in a socialist way. I would like a reply. Marvin A. Cohen 561-451-0772 or my e-mail loumacohen& aol.com Thank you

Did customer previously contact the PSC?: This is the first of a few messages I've left with the PSC in a while. Let's do the job right. Each day we learn of another person involved with misdoings in government. This week it is Gov Roland of Conn. Let's do the RIGHT THING FOR A CHANGE. The public deserves it.

PROBLEM INFORMATION

Problem Type: Other Complaints

Complaint Detail: The idea of thinking about a surcharge for FP&L is a crime. It is not the most efficient utility in the country. Miami-Dade had personnel to use this past summer. Let's not grease the palms of the top echelon of this company. They are making more than they deserve, and if they are not happy, there are many people capable of taking over their jobs. It's bad enough that they are soliciting their customers to help finance the need for additional power at the expense of the public. It's time for the Public Service Commission to **SERVICE THE PUBLIC** which is first and foremost your job. Marvin A. Cohen e-mail loumacohen@aol.com tel: 561-451-0772 I await a reply
