Stan,

I believe the information submitted on a proprietary item is incorrect. On June 18, your company submitted a Request for Confidential Classification (RCC) for a response to Staff's 1st set of Production of Documents (RPD #1), and the CD that was submitted contains:

- 1) a soft copy of the RCC itself (Word file); and
 - 2) a soft copy of the *redacted* confidential document (also a Word file).
- That's all that's on the disc identified as FPSC Document No. 05180-08.

The "actual" confidential CD that came in with the Notice of Intent on May 28th is correct (refer to FPSC Document No. 04528-08). Please have the appropriate Company personnel contact the FPSC's Clerk's office to recify this. Keep in mind that when this situation is straightened out, staff would like this material to be entered as a hearing exhibit, and the Clerk's office can address any questions you may have in that regard.

Thank you.

Lee Eng, Charlene, and Michael,

I'm not sure why DN 04731-08 was placed in Docket 070699 rather than 070736, however, Ann Bassett advises that this document should be in 070736. Docket 070736 does appear to be the correct docket number. However, before I make any changes of documents from one docket to another, I want to confirm with you that you would like this document moved. Thank you for your help.
