Dear Ms. Sanchez:

The Commission received your letter requesting cancellation of the company's two certificates and a docket will be established to handle your request. I'm writing because the company underpaid its IXC Regulatory Assessment Fee (TJ874) by \$650. The minimum fee for IXCs increased to \$700 in 2007. Just as information, the correct amount was paid on the shared tenant service certificate (TS204), therefore, a voluntary cancellation will be recommended on this certificate.

If the company pays the balance of \$650 by February 29, 2008, then we will grant the company a voluntary cancellation on the IXC. If full payment is not made, then staff will recommend that Sunshine State Communications, Inc.'s request for voluntary cancellation be denied and instead the IXC certificate will be cancelled on the Commission's own motion. Any unpaid fees will be turned over to collections.

Please let me know if you have any questions. Thanks.
