Re: Docket No. 060433-WU - Application for certificate to operate water utility in Lake County by South Umatilla Water Inc.

Dear Mr. Minkoff:

Upon reading the Consent Final Judgment dated September 21, 2007, issued in the Circuit Court of the Fifth Judicial Circuit In and For Lake County, Florida, in Case No. 07 CA 948, it appears that Lake County now owns and operates the water system formerly owned and operated by Ms. Chloe K. Bonds-Wormack. Pursuant to Chapter 367.022 (2), Florida Statutes, systems owned, operated, managed, or controlled by governmental authorities are exempt from Public Service Commission regulation. Therefore, the above referenced docket will be closed unless we hear from you to the contrary by February 22, 2008. Please let me know if the County transfers ownership and control of the utility to a non-governmental entity in the future.

Should you have any questions feel free to contact me at 850 413-6808 or email me at pdaniel@psc.state.fl.us.

Sincerely,

Patti Daniel
