Re: Resolution No. R-133-08, Net Metering

Dear Chairman Barreiro:

I am writing to acknowledge receipt of the Miami-Dade Board of County Commissioners' resolution urging the Florida Public Service Commission to adopt rules to encourage "the use of consumer-owned solar and other renewable energy systems through net metering and by facilitating the interconnection between such systems and electric utilities." The resolution was filed in PSC Docket No. 070674-EI, In re: Proposed amendment of Rule 25-6.065, F.A.C., Interconnection and Net Metering of Customer-Owned Renewable Generation.

If you have any questions, please do not hesitate to call me at (850) 413-6096.

Sincerely,

Handwritten signature of Mary Anne Helton.
