Lisa - there is no problem in my view since we had it in hand. The deadline was not statutory and nothing hinges on it.

Ms. Scoles:

I just received your voice mail message and your message below. I understand your frustration with having to send your filing multiple times, however, as the final version was received at 5:06 p.m. on 10/7/08, it is considered officially filed as of 8:00 a.m. today (10/8/08). Please see the Commission's e-filing requirements at: <http://www.psc.state.fl.us/dockets/e-filings/>

Special Conditions

The party submitting a document for filing by electronic transmission acknowledges and agrees:

*

That the party submitting the filing shall be responsible for any delay, disruption, or interruption of the electronic signals and accepts the full risk that the document may not be properly filed with the Division as a result.

*

That the filing date for an electronically transmitted document shall be the date the Division receives the complete document. If the document is received on a non-business day, or after 5:00 p.m. on a business day, it will be considered filed as of 8:00 a.m. on the following business day.

*

That the Commission does not have the authority to grant an extension of time for certain jurisdictional filings, including motions for reconsideration and notices of appeal.

*

That the official copy of an electronically filed document is the copy printed by the Division upon receipt, document-stamped, and filed in the docket.

I resent it about 5 minutes ago as one document (comments plus two rule matrices) with one cover letter. Given that I have filed these three times (the first two before 5:00) can you please show them as filed today? Thank you.

Ms. Scoles:

The PDF files are printing fine now. However, there is still the problem with the attachments being separate from the cover letter. They need to be combined into one filing (with the cover letter), or they each need their own cover letter and reference to the attachments removed from the original cover letter.

Ms. Scoles:

We have received the attachments referenced in your e-filing below.

There are 2 attachments in Word version which are not printing properly as they require 8 1/2" x 14" (legal size paper). Please note that per Commission e-filing requirements, all documents filed electronically must be capable of being printed as paper documents without loss of content or appearance. Documents must be prepared using a clearly readable font which, when printed, will fit on an 8.5 by 11-inch page.

Also, any cover letter or certificate of service must be included in the electronic document to which it relates, and shall not be submitted as a separate attachment to the email. Your cover letter is in the PDF version and references the 2 matrices which are attached separately. They will all need to be included in one document or they will each need their own cover letter and will be considered 3 separate filings.

Your filing will need to be revised and resubmitted in order to be eligible for electronic filing.

A link to the Commission's e-filing requirements is included for your convenience:
