4.	off	nat percentage of your Florida residential and business customers purchase bundled erings? Please provide the percentage below. If you do not offer bundled services, licate "not applicable."
	4	Residential Business Not applicable
5.	the	is question concerns prepaid local telephone service in Florida. Please place a check by response that most accurately reflects whether or not you offer prepaid local telephone vice.
		Company offers ONLY prepaid local telephone service in Florida Company offers prepaid AND non-prepaid local telephone service in Florida X Company does NOT offer prepaid local telephone service in Florida
Voll	-	
6.		icate below whether you are offering VoIP service to end users in Florida. VoIP service is ined as IP-based voice service provided over a digital connection. Please check any that ly.
		X Not offering VoIP service to end users Offering VoIP services to business end users Offering VoIP services to residential end users
7.	If y	ou are offering VoIP service in Florida:
	a.	Where are you offering VoIP service, e.g., specific cities, counties, statewide, etc.?
	b.	What is the range of prices for residential VoIP service?
	c.	What is the range of prices for business VoIP service?
	d.	Check all that apply to your VoIP service:
		Offer wireless VoIP service Offer wireline VoIP service Optional power backup Standard power backup

	Contribute to Universal Service Fund
	Use of public Internet Use of private IP network
	Ose of private if fletwork
	e. If you are not offering VoIP service to end-users in Florida, do you anticipate doing so? If yes, identify rollout month/year. No
<u>Broa</u>	<u>idband</u>
8.	Do you offer broadband to residential customers in Florida? Please check the applicable answer.
9.	If you do offer broadband to residential customers in Florida, please provide your best estimate of the percentage of residential end user premises in your Florida service area for which your broadband services are available.
10.	For your Florida territory in which you currently do not offer broadband, what percentage of these customers do you plan to provide broadband availability to in the next 5 years?
	No definitive plans at this time.
11.	How many residential broadband subscribers do you have in Florida?
12.	Please list the method(s) of broadband provisioning utilized by your company in Florida (i.e., DSL, cable modem, fiber, etc.).
	DSL
13.	What are the typical downstream and upstream speeds for your most popular broadband service?
	1M/256k
14.	What is the monthly price for your most popular broadband service?
4	

Fiber Deployment

15.		you have any fiber deployments to homes or businesses in Florida between May 31, 5 and December 31, 2007? Yes
		<u>X</u> No
16.	If yo	u answered Yes to question 15 above, please provide the following information:
	a.	Location of each deployment (e.g., name of development, wire center, and exchange).
	b.	Type of infrastructure for each deployment (e.g., Fiber to the Home/Fiber to the Premises/Fiber to the Curb).
	c.	Number of residential and business premises passed in each deployment and the number of residential and business subscribers for each. This includes Fiber to the Home, Fiber to the Premises, and Fiber to the Curb.
		Residential premises passed Residential subscribers Business premises passed Business subscribers
	d.	What services do you offer in each deployment?
16.	curre	se provide your company's total statewide of residential and business subscribers ently served by Fiber to the Home, Fiber to the Premises, and\or Fiber to the Curb hology.
	0 0 0	Residential Subscribers Business Subscribers Total

Video Service

17.	What video services does your company offer in Florida? Check all that apply.
	Fiber or copper based video service Cable television X Satellite television
17.	Do you have plans to offer video services in conjunction with other network services in the next three years?
	Currently offering Double Play – phone and satellite service.

Form 477

- 19. Please provide a copy of the Form 477 you filed with the FCC with data as of:
 - a. June 30, 2007 enclosed
 - b. **December 31, 2007** enclosed

Comments

20. Please provide any comments, suggestions or information you believe will assist staff in evaluating and reporting on the development of local exchange competition in Florida. We would appreciate any comments or information on intermodal local competition (e.g., wireless, cable telephony, VoIP), reports or studies you have completed on CLEC market share, or anything else that you believe to be relevant.

FCC Form 477 -- Local Telephone Competition and Broadband Reporting

Cover Page: Name & Contact Information

EXPIRATION DATE: 05/31/2008

REDACTED

All filers must complete Items 1 through 8 of this Cover Page. Data as of:

June 30, 2007

Review Instructions before completing this form. Instructions are posted at: http://www.fcc.gov/Forms/Form477/477instr.pdf

Company The Frontier and Citizens ILEC subsidiaries of Citizens Communications Company

Filers must report data for ILEC and non-ILEC operations on separate forms. Use the following drop-down box to indicate whether this worksheet contains data for ILEC or for non-ILEC operations. ILEC operations

Use the following drop-down box to select the name of your parent or controlling entity. If you are not affiliated with any other filer, select your company name. Select "not shown" if no appropriate name appears in the list. See Instructions section IV.B.1 for information on preparing file names

Citizens Communications Company

If you selected "not shown" above, then provide the following:

Parent or controlling entity name (if none, enter company name).

Filers must report data for different states in separate forms. Florida State.

Contact person (person who prepared the data contained below). 5.

Cassandra Guinness

Contact person telephone number and email address 6

> 585-777-4557 Phone

cassandra quinness@frontiercorp.com Email

Indicate whether this is an original or revised filing.

Original Filing

8. Indicate whether you request non-disclosure of some or all of the information in this file because you believe that this information is privileged and confidential and public disclosure of such information would likely cause substantial harm to the competitive position of the filer.

Filer certifies that some data in this report is privileged and confidential

Reminders:

- 1) Ensure files are virus free by using up-to-date virus detection software. Filers are encouraged to submit files via email (address: FCC477@fcc.gov).
- 2) If you are filing original or revised data for an earlier semi-annual reporting period, do not use this particular form (which is only for data as of June 30, 2007). See reminder 4.
- 3) You may not insert or delete columns or rows, move cells, or edit text or numbers outside the cells provided for data entries. Filers will be required to correct and resubmit any files that cannot be opened in EXCEL 2003, any files whose structure has been altered, and any files with improper names.
- 4) If you have questions about the form, contact the Wireline Competition Bureau, Industry Analysis and Technology Division at (202) 418-0940; via email at 477INFO@fcc.gov; or via TTY at (202) 418-0484
- 5) You must submit a Certification Statement signed by an officer of your company. A single statement may cover all files submitted. See Instructions sections IV & V.
- 6) Name your files as specified in Instructions section IV.B.1. To assist you, complete this Cover Page to generate an "example" name, below. Replace the character "#" in this example name with a sequence number as specified in Instructions. This number should be "1" unless using "1" would cause you to submit more than one file with the identical file name.
