RE: Docket No. 080205-TP: Joint application for approval of transfer of control of GlobalConnection, Inc. of America, holder of CLEC Certificate No. 7830, to L6-Global, LLC (a Georgia LLC managed by L6 Holding Corporation).

On April 9, 2008, the Commission received a joint application for approval of transfer of control of GlobalConnection, Inc. of America, holder of CLEC Certificate No. 7830, to L6-Global, LLC (a Georgia LLC managed by L6 Holding Corporation). The application for transfer of control was assigned Docket No. 080205-TP. The applicants submitted Exhibits D and E, which were claimed to be CONFIDENTIAL by the applicants. The CONFIDENTIAL documents were assigned Document No. 02743-08.

After the transfer of control is consummated, GlobalConnection, Inc. of America will continue to be the certificated entity that will serve customers with no change in the rates or terms and conditions of service. As specified in Section 364.337, Florida Statutes, Section 364.33, Florida Statutes, which requires Commission approval prior to the transfer or assignment of majority organizational control of a telecommunications company, does not apply to a competitive local exchange company (CLEC).

Because GlobalConnection, Inc. of America will remain the certificated entity, and Section 364.33, Florida Statutes, does not apply to CLECs, the joint application does not require any action by the Commission. Thus, Docket No. 080205-TP has been opened in error and can be administratively closed in accordance with Section 2.07.C.2.d.(1), Administrative Procedures CMP _____ Manual.

In addition, CONFIDENTIAL Document No. 02743-08 should be returned to the CTR ______originator. Any questions regarding these matters should be referred to Ray Kennedy at 413-ECR ______0
