ALL OTHER INTERESTED PERSONS

DOCKET NO. 080253-EM

PETITION TO DETERMINE NEED FOR CANE ISLAND POWER PARK UNIT 4  
ELECTRICAL POWER PLANT IN OSCEOLA COUNTY,  
BY FLORIDA MUNICIPAL POWER AGENCY

ISSUED: May 13, 2008

NOTICE is hereby given pursuant to Rule 25-22.080(3), Florida Administrative Code, that the Florida Public Service Commission has received the petition of Florida Municipal Power Agency (FMPA) for a determination of need for a proposed electrical power plant in Osceola County. FMPA's proposal consists of one new unit, to be known as Cane Island Unit 4, which will be a high-efficiency, 1x1 F class, natural gas-fueled combined cycle unit, consisting of a combustion turbine and a heat recovery steam generator that will drive a steam turbine generator. The new unit will be capable of generating nominally 300 megawatts (MW). The projected in-service date for Cane Island Unit 4 is May 1, 2011. The proposed new unit will be wholly owned by FMPA and operated under contract by Kissimmee Utility Authority (KUA), an "All-Requirements Power Supply Project" (ARP) member utility. All of the generation capacity from the unit will be committed to ARP members for retail sale to their customers. This matter has been assigned Commission Docket No. 080253-EM.
