Michael Moecker & Associates, Inc.  
6861 S.W. 196th Ave., Suite 201-04  
Pembroke Pines, FL 33332

Re: Latin Node, Inc.

Dear Mr. Phelan:

We represent Business Telecommunications Services, Inc. ("BTS") and hereby submit this offer on behalf of BTS, to purchase from you, in your capacity as Assignee in the Assignment for the Benefit of Creditors given by Latin Node, Inc. (the "Company"), Case Number 08-33495 CA 11, all of your right, title, and interest in those assets listed in Exhibit 1, attached hereto, along with all proceeds therefrom (the "Sale"). The Sale shall specifically include any and all existing warranties on those assets listed in Exhibit 1.

BTS acknowledges that the Sale is "as is, where is" and is conditioned upon court approval after notice to the public and all creditors of the Company and shall be accompanied by an appropriate bill of sale.

The Sale is further conditioned upon there being no higher and better offers made to the Assignee. In the event of the Assignee receiving any higher or better offer, BTS reserves the right, but not the obligation, to exceed any such offer at its sole discretion.

Upon the terms and subject to the conditions set forth in this letter, BTS offers the following consideration for the Sale: one-time lump sum payment of \$150,000.00 in the form of a business check or Trust Account check, ten (10) days following the Court's approval of the Offer and the closing of the Sale (the "Offer"). This offer is intended as an "all or none" offer and may not be accepted if separated into various components or asset categories, other than as provided in Exhibit 1.

Mr. Michael P. Phelan  
June 12, 2008  
Page 2

BTS hereby notifies the Assignee and the Assignee acknowledges that prior to the Assignment, BTS was permitted by the Company to explore certain business opportunities. Specifically, the Company provided BTS with the opportunity to meet with various telecom carriers and assume the servicing of certain retail customers (the "Business Opportunities"). The consideration tendered herein shall also be deemed payment for any and all Business Opportunities.

BTS acknowledges that as of May 31, 2008, eLandia International, Inc. ("eLandia") holds a security interest in the assets of the Company in the amount of \$7,139,592. BTS further acknowledges that its offer is subject to eLandia's lien and prior to making this offer has negotiated for consideration with eLandia for the release of eLandia's lien on those assets listed in Exhibit 1. The Sale is conditioned on the agreement reached between BTS and eLandia as it pertains to those assets listed in Exhibit 1 and the Sale. Should eLandia fail or refuse to comply with the terms and conditions of the agreement (as deemed necessary by BTS), this Offer shall be deemed withdrawn, and BTS shall have no obligations to consummate the Sale.

To the extent necessary and in order to preserve the assets of the Company, the Assignee agrees to provide BTS with access to any and all of the equipment and accounts receivable listed in the Aging Summary, as set forth in Exhibit 1.

The Offer may be withdrawn or revised at anytime by BTS, prior to Court approval of the Offer. Should the Court not approve the Sale in its totality, the Offer shall be deemed withdrawn. The Sale shall be free and clear of all liens, leases, claims, and encumbrances, with such liens, leases, claims, and encumbrances to attach to the proceeds of the Sale. Upon Court approval of the Sale, BTS shall receive a bill of sale transferring all of the Company's right, title, and interest to the assets listed in Exhibit 1 and the Business Opportunities, free and clear of all liens, leases, claims, and encumbrances.

BTS is not assuming any liabilities of the Company, the Company's affiliates or subsidiaries, or eLandia, except that it is purchasing said assets subject to the lien of eLandia. BTS herewith tenders a deposit of \$15,000.00 to be held in escrow by the Assignee, said deposit, to be refunded within ten (10) days of the Court's rejecting or failing to approve this offer, without further process, if BTS is not the successful purchaser of the assets due to higher or better offers being received and approved by the Court.

Sincerely,

Rafael Olloqui, CEO

Encls.

In Re:

LATIN NODE, INC.,

Assignor,

to:

MICHAEL PHELAN,

Assignee.

---

**MOTION TO FIX ASSIGNEE'S BOND**

COMES NOW the Assignee, Michael Phelan, by and through his undersigned attorney and moves this Court to Fix the Assignee's Bond, and as grounds therefore states as follows:

1. On June 12, 2008, a petition was filed commencing an Assignment for the Benefit of Creditors Proceeding pursuant to Chapter 727, Florida Statutes, made by LATIN NODE, INC., Assignor, with a principal place of business at 9800 NW 41<sup>st</sup> Street, Suite 200, Doral, FL 33178, to Michael Phelan, whose address is 6861 SW 196<sup>th</sup> Avenue, Bldg. 200, Fort Lauderdale, FL 33332.

2. Pursuant to § 727.104 (2)(b), Florida Statutes, the Court shall set the bond in an amount not less than double the liquidation value of the assets of the estate as set forth in the Assignor's Schedule "B". Pursuant to § 727.103 (10), Florida Statutes, the liquidation value means the value in cash obtainable upon a sale of assets after payment of valid liens encumbering said assets.

3. The total liquidation value of the assets shown in Schedule B is \$1,580,258.00, however, there are secured lien claims in excess of \$8,500,000.00.

4. Since there are secured claims are well in excess of the liquidation value of the assets, it is therefore suggested that the Assignee's bond be fixed at \$20,000.00, subject to reconsideration if needed pursuant to §727.104 (b), Florida Statutes.

**WHEREFORE**, Assignee, Michael Phelan requests that this Court fix the Assignee's bond payable to the Clerk of the Court at \$20,000.00.

Respectfully submitted this 16<sup>th</sup> day of June, 2008.

**CERTIFICATE OF SERVICE**

**WE HEREBY CERTIFY** that a true and correct copy of the foregoing was mailed to: All creditors and interested parties on the attached list this 16<sup>th</sup> day of June, 2008.
