This is correspondence only. The docket is correct. They were all payment records in different dockets and the deposit dates had to be corrected. Therefore the info had to be placed in all dockets which contained those document numbers. Document number 05856-08 belongs to Docket 080428...

Why? It's talking about a change to depreciation in what appear to be telecommunication dockets. Just think that the reference to Dkt. 080428 may incorrect. Have given you the wrong docket number plenty of time, myself. ;)
