RE: Request for confidential classification in Docket No. 070736-TP for Staff's Third Set of Interrogatories, Item No. 88 (Hearing Exhibit 8)

On June 26, 2008, BellSouth Telecommunications, Inc. d/b/a AT&T Florida (AT&T Florida or the company), filed a Notice of Intent to Request for Specified Confidential Classification for its response to Staff's Third Set of Interrogatories, Item No. 88. (FPSC Document No.05541-08) On July 7, 2008, and pursuant to Rule 25-22.006, Florida Administrative Code, the company filed its Request for Specified Confidential Classification for this data. (FPSC Document No. 05817-08)

AT&T Florida states that the information contained in the response should be classified as proprietary, confidential business information pursuant to Section 364.183, Florida Statutes, and therefore exempt from the public disclosure requirements from Section 119.07, Florida Statutes. The company asserts that public disclosure of this information would cause it competitive harm and provide competitors with an unfair advantage.

I have reviewed the data referenced herein and believe AT&T Florida has met the requirements for confidential classification pursuant to Section 364.183(3)(e), Florida Statutes. In addition, I believe the company's filings meet the requirements of Rule 25-22.006(5), Florida Administrative Code. Accordingly, the information in FPSC Document No. 05817-08 (x-ref. 05541-08) should be treated as confidential.
