Re: Docket No. 080255-EI; Petition of Tampa Electric Company for Approval of Standard Interconnection Agreements for Expedited Interconnection of Customer-Owned Renewable Generation and Associated Net Metering Tariff

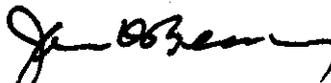

Dear Ms. Cole:

Enclosed on behalf of Tampa Electric Company are the original and fifteen (15) revised copies of Original Tariff Sheet No. 7.980. This tariff sheet has been revised to make the application form "Renewable Generator System" generic as opposed to photovoltaic oriented.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
