RE: Docket Nos. 080255-EI; 080257-EI; 080260-EI; 080265-EI; 080294-EI - Petitions
for approval of standard interconnection agreements for interconnection of
customer-owned generation

At its September 4, 2008, Agenda Conference, the Commission approved staff's consolidated recommendation in the dockets referenced above. Staff's recommendation in Issue 2 inadvertently stated that "*this* docket should be closed" rather than "*these* dockets should be closed. That language was incorporated into the Commission's Order No. PSC-08-0624-TFR-EI which approved the petitions.

At your request we are providing this memorandum to clarify that all of the above dockets should be closed.
