Re: Complaint of Terence K. Wolfe against Tampa Electric Company for alleged improper billing; FPSC Docket No. 080435-EI

Dear Ms. Cole:

As a follow up to Tampa Electric Company's response to the two data requests contained in the November 12, 2008 letter from Keino Young in this matter, this is to correct the reference to Section 366.02, Florida Statutes, in Tampa Electric's answer to Data Request No. 1. That reference should have been to Section 366.03, Florida Statutes, which sets forth the general duties of a public utility, including the prohibition against a utility making or giving any undue or unreasonable preference or advantage to any person or locality, or subjecting the same to any undue or unreasonable prejudice or disadvantage in any respect.

Sincerely,

James D. Beasley
