<u>Document Description</u>	<u>No. of Pages</u>	<u>Detailed Description</u>	<u>Rationale</u>
Contract in response to Staff's Production of Document No. 50	Bates stamp pages 1612-1628	All information Printed On Yellow Paper Stock	(1)

- (1) The information in question consists of a negotiated contract relating to the provision of natural gas transportation services for Tampa Electric. The terms and conditions of this contract, if made public, would disclose contractual information that would be harmful to the counterparty who would provide natural gas transportation service to Tampa Electric and could possibly discourage them from negotiating future contracts for the provision of such services to Tampa Electric. Section 366.093(3), Florida Statutes, defines the types of information entitled to confidential protection and specifically includes, in subsection 3(d) and (e), Florida Statutes, the following:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

It follows that the information in question is specifically entitled by statute to confidential treatment and exemption from Section 119.07(1), Florida Statutes.
