I will talk to Bruce May and confirm this -- I believe they substituted a document SS-14 that was not marked confidential, but was otherwise the exact same document.

We received the below document (see attachment to e-mail):

Aqua Utilities (May) - Notice of withdrawal of request for confidential classification of Exhibit SS-14 [DN 10810-08].

Is it OK to declassify confidential DN 10810-08 ? and should it be placed in the public docket file ?
