Dear Director

Fla. Docket No. 080-499-WU
TLP Water, Inc.
Section 67.045 Florida Statutes

I am filing a complaint regarding the "Notice of Application for an Original Certificate" filed by the TLP. Inc, of Tavares, Fl on December 16, 2008.

Mr. William Carey, President of the TLP, cannot (or will not) explain the meaning of the territory described as "in Section 19....less and except that finger of land....Lake Eustis, and in Section 30....lying north of US Highway 441, less the east 330 feet thereof".

He has indicated that he himself does not know what it means and that he is sending out this note to homes receiving water from TLP because the state "told him to do it". Enclosed is a copy of the "Notice" I received from Mr. Carey.

Thus, until I know what impact this Application has to me as a resident of Lakeside Lane and a TLP water customer, I do not want this application approved.

I am requesting an explanation of the "Application" and its ramifications to me regarding my water service including rates and charges, safeguards in complying with DEP and other department rules and requirements, and compliance with our deeds and 1976 Court Order setting rates.

I can be contacted by mail at P.O. Box 490981, Leesburg, FL 34749 or telephone (home 352-343-2805 or cell 352-255-2309).

Sincerely,

W Mr. Bill Nichols

Dear Sir,

Enclosed you will find a copy of a notice I received with my water bill on the 18th of December.

The section highlighted is very confusing and makes no sense to me at all.

When I called Mr. Bill Carey, the one that sent the letter, he told me he did not understand it either but your department had told him he must send it out.

Mr. Carey has been trying for several years to find a way to break our property deeds, with no luck, and we, the residents of Lakeside Lane, are wondering if this is just another of his schemes.

Since none of us understands this notice, we wish to OBJECT to whatever it is until the notice is explained to us in words that we can understand, and what the ramifications and results will mean to us if approved.

Looking forward to your explanation.
