**RE:** Request for confidential treatment of certain information submitted in Docket No. 080317-EI through Document 11562-08

On December 16, 2008, Tampa Electric Company (TECO) filed a request for confidential treatment of certain information submitted in its response to the 7th set of interrogatories (No. 61 and 62) from the Florida Industrial Power Users Group (FIPUG). The interrogatory seeks individual customer information by account which has traditionally been treated as confidential by the Commission. Therefore technical staff believes the request for confidential treatment in Document 11562-08 is reasonable and should be granted.
