

## Notice of Proposed Rule

### PUBLIC SERVICE COMMISSION

RULE NO: RULE TITLE

25-4.066: Availability of Service

PURPOSE AND EFFECT: The proposed amendments are intended to simplify, streamline, and clarify the rule.

Docket No. 080641-TP

SUMMARY: This rule is amended to clarify that the rule applies to residential service only. This rule is amended to streamline installation requirements, including a provision that the rule not apply if an applicant requests broadband and/or video service at the same time as residential phone service.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The rule amendments benefit the Commission, companies, and customers by having a more simple, streamlined, and clarified rule, and companies' administrative costs would likely decrease. However, the amendments could possibly have negative impacts on customers due to longer time for installation of new service.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
