Ok, we'll change SGA to OPR division for the dockets and move the SGA staff members listed under OCR in the attachments provided by Steve yesterday to OPR.

Thanks!

I think you can list all of the staff below as OPR. Steve was just trying to identify the lead staff for each docket. This level of detail may not be necessary for a CASR.

Subject: Docket OPR Changes

Kim & Mary,

Please change OPRs and OCRs on Docket Nos. 080407 through 080413. When opened, we inadvertently listed the attorneys from GCL as OPR on all dockets. Although these dockets have since been consolidated, we need to manage our workload by assigning SGA analysts to each one as indicated below and on the attached CASR revision sheets. In addition, the OCRs shown on the current CASRs require some changes, as shown on the attached CASR revision sheets.

Docket	Utility	OPR (all SGA)
080407 -	FPL	S GARL
080408 -	PEF	K LEWIS
080409 -	TECO	P ELLIS
080410 -	GULF	R GRAVES
080411 -	FPUC	T MATTHEWS
080412 -	OUC	K LEWIS
080413 -	JEA	S GARL

Please let us know if we need to do anything else to make these changes.

Now that the OEP has been issued, we need to get CASRs filed. Please work with legal to get these done. I would like to make the following lead staff assignments. Make sure you include someone from the cost recovery group:

Kathy - PEF and OUC
 Steve - FPL and JEA
 Phillip - TECO
 Robert - Gulf
 Traci - Florida Public Utilities Company
