Subject: Docket No. 080574, North Ft. Myers Utility, Inc.

Please move Document No. 09935, filed October 20, 2008 from Docket No. 080179-SU to the docket referenced above. This document is a letter from the Department of Community Affairs that erroneously referenced a former docket.

The Commission had entered an order granting territory requested in Docket No. 080179 in August 2008. The letter from the DCA is in response to a filing in Docket No. 080574-SU.

Thanks.
