Re: Electronic Filing

Dear Mr. Schultz:

On February 13, 2009, a letter providing quarterly status report regarding construction of a centralized ion exchange treatment system was filed with the Office of Commission Clerk and assigned Document Number 01325-09. The physically-signed letter was subsequently received on March 6, 2009.

The Public Service Commission's Electronic Filing Requirements state that the party submitting a document for filing by electronic transmission acknowledges and agrees that the original physically-signed document will be retained by that party for the duration of the proceeding and of any subsequent appeal or subsequent proceeding in that cause, and that the party shall produce it upon request of the other parties or the Commission.

Accordingly, the physically-signed document has not been accepted for filing and is being returned to your attention. If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Ann Cole".

Ann Cole
