My only comment was geared more towards the fact that staff (ECR and GCL) will need to follow-up to determine whether it is really a protest or simply a letter of objection. It's fine to treat it as an official filing for the time being.

Ruth and Jennifer,

I agree that this shouldn't be considered a "protest." However, since this filing came through the e-filings, it is in the appropriate format, it includes an official electronic signature, and they addressed it to the Clerk's Office, I feel we should treat it as an official filing and not correspondence. DN 03033-09, in the same docket, is also an objection letter, so the description for this document would look much like the one below.

Kenna Gunn - Letter dated 3/09 objecting to application for transfer of water and wastewater certificates.

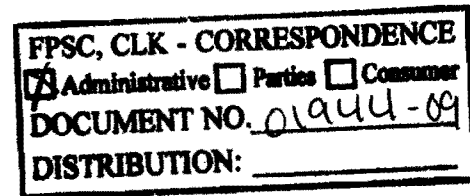

Jennifer, please advise if you have any concerns regarding same.

I wouldn't treat it as a protest at this time - there's no apparent request for a hearing, and that's really the test. Erik and Pat, I would suspect a standard follow-up letter to Ms. Voorheis will be in order, asking that she clarify whether she wants her comments included in the correspondence side of the docket, or whether she wants to pursue her objection to hearing. Ruth, please let me know if that's sufficient or if there's something further that should be addressed regarding Ms. Voorheis' letter at this time - thanks!
