OK. I will open a docket to cancel the company's certificate effective today, March 13, 2009. As we discussed in our telephone conversation, only companies paying the current year and any outstanding Regulatory Assessment Fees can receive a voluntary cancellation. Therefore, the certificate be cancelled on the FPSC's own motion and the unpaid fees will be turned over to collections. Thanks for responding.

Paula,  
The company has been dissolved and has no assets to pay these fees.

Thanks again.

OK. Do you know if the company intends to pay the 2008 and 2009 Regulatory Assessment Fees and leave in good standing? Please let me know. Thanks.

Hi Paula,

As per our phone conversation earlier today, please note that we are no longer using our FCC License. Additionally, the company Telcom.Net, Inc. was dissolved last year and is no longer operating.

3/13/2009

Please close our account so we do not have to continue paying for our license.  
Thank you for your assistance in getting this matter resolved.

Regards,

Arie Kachler

Good afternoon:

The Commission is getting ready to mail out delinquent notices tomorrow, February 20, 2009, to those companies that either have not paid the 2008 Regulatory Assessment Fee (RAF) or have not paid the 2008 RAF in full. Our records show that the company has not paid the 2008 RAF. I wanted to give you a heads up because those certificate holders not complying with the delinquent notices will subsequently be fined \$500 for a first offense, \$1,000 for a second offense, and \$2,000 for a third offense. A copy of the Regulatory Assessment Fee rule is attached.

If the company owes the minimum and if payment is postmarked between January 31 and March 1, the total due is \$742, which is comprised of the \$700 minimum RAF, \$35 penalty, and \$7 interest. If payment is postmarked between March 2 and March 31, the total due is \$784, which is comprised of the \$700 minimum RAF, \$70 penalty, and \$14 interest. A copy of the 2008 RAF return form is also attached. Please complete it and return it with full payment, including the late payment charges. Just as information, late payment charges (penalty and interest) continue to accrue until the RAF is paid. Thanks.

Please let me know if you have any questions.
