Subject: Request to file a revised recommendation for the Aqua Utilities Rates Agenda (Docket No. 080121-WS) on 3/25

Staff has discovered an error in the data used to calculate rates for the Aqua Utilities Special Rates Agenda scheduled for March 25, 2009. Correcting this error will result in multiple changes in the rates and rate groupings contained in staff's recommendation which was previously filed on March 12, 2009. Because of the extensive nature of the revisions to be made, staff requests permission to file a revised recommendation. The revised recommendation will be filed no later than Wednesday March 18 at 4:30PM.
