Concise explanation, justification or comments (attach additional sheet if necessary):

On April 14, 2009, the Utility contacted staff to discuss several issues in staff's recommendation. On April 16, 2009, the Utility requested a deferral and waiver of the statutory deadline through May 5, 2009, to provide staff with additional information regarding its rate case. The additional information will change staff's recommended revenue requirement and affect several issues and schedules in staff's recommendation. Therefore, staff believes the best practice is deferral of item 15 until the next agenda. If the deferral request is approved, staff requests permission to file a revised recommendation on April 23, 2009.

Bart,

I spoke with John Hoy, and we will not push any further on the rate case expense and cash working capital issues, and will agree to what is in the Staff recommendation. However, we are okay with delaying by one agenda in order to get the contractual services issue rectified.

Please let me know if you have any questions.

Thanks,
Kirsten
