Ms. Matherne:

We received the attached objection and petition for formal hearing (without a cover letter), on Tuesday, 5/19/09, at 4:57 p.m. That filing was accepted and assigned Document No. 04957-09. Per our telephone conversation today, 5/20/09, you advised that the attached document was being filed to include a cover letter which was not included in yesterday's initial filing. As discussed, since there is no change to the objection and petition for formal hearing itself, and since the cover letter does not include any revised or additional information pertinent to the objection and petition for formal hearing, we will not be accepting the actual pleading is a duplicate of DN 04957-09. Thank you for the clarification!

Ms. Matherne:

We have received the attachments referenced in your e-filing below. Please note that per Commission e-filing requirements, any cover letter or certificate of service must be included in the electronic document to which it relates, and shall not be submitted as a separate attachment to the email. A link to the Commission's e-filing requirements is included for your convenience: <http://www.psc.state.fl.us/dockets/e-filings/>

Further, with the exception of the cover letter, the objection and petition for formal hearing appears to be a duplicate of a filing received from your office at 4:57 p.m. As such, the filing received at 4:58 p.m. will not be accepted as an official filing.
