

FLORIDA PUBLIC SERVICE COMMISSION

VOTE SHEET

June 30, 2009

Docket No. 090228-EG – Petition for approval of a pilot small general service price responsive load management program, by Tampa Electric Company.

Issue 1: Should TECO's pilot Small General Service Price Responsive Load Management program be approved?

Recommendation: Yes. The Commission should approve TECO's Petition, and the tariffs needed to implement the proposed pilot program. Program costs should be capped at \$286,000 as part of TECO's existing Conservation Research & Development Program. The program should be limited to 50 participants, and expire 18 months from the date of the Commission's vote. TECO should also provide a report on its cost-effectiveness to staff upon completion of the program.

Issue 2: Should this docket be closed?

Recommendation: Yes. If Issue 1 is approved, the tariffs should become effective the date of the Commission's vote. If a protest is filed within 21 days of the issuance of the order, the tariffs should remain in effect with any increase held subject to refund pending resolution of the protest. If no timely protest is filed, the docket should be closed upon the issuance of a consummating order.
