**RE:** Request for Confidential Classification (Aqua Utilities - Document No. 07335-09)  
Docket No. 080121-WS

I have reviewed the information contained in Aqua Utilities, Florida Monthly Report of Meter Readings Logs (Document Number 07335-09). This document contains customer specific information including customer names, addresses, and usage data. I recommend that the utility's request for confidential classification for this document be granted.

Furthermore, the utility is required to submit its monthly meter reading logs on a monthly basis through November 2009. Since these documents will contain similar customer specific information, I recommend that these documents also be granted confidential classification.
