**CUSTOMER NOTICE**

**ISSUED: JULY 28, 2009**

On November 17, 2008, Mid-County Services, Inc. (the "Utility"), completed its application to the Florida Public Service Commission (the "Commission") for increased wastewater service rates, in which it requested a permanent rate increase of 22.56% for wastewater service.

By Proposed Agency Action Order No. PSC-09-0373-PAA-SU ("PAA Order"), issued May 27, 2009, the Commission approved a rate increase of 18.46% for wastewater service. These rates were designed to allow the Utility the opportunity to recover its reasonable and prudent costs for providing service, and a reasonable rate of return on its investment in facilities necessary to provide such wastewater service. The PAA Order was not protested within the protest period, and became final by Order No. PSC-09-0474-CO-WS, issued July 2, 2009.

The increased rates and charges are effective for service on or after August 3, 2009.

The rates prior to filing and the Commission-approved wastewater rates are attached to this customer notice.

This notice was prepared by the Utility and approved by the Commission Staff for distribution by the Utility to its customers.

If you have any questions about your bill, please contact the Utility at (800) 272-1919.

Sincerely,

Mid-County Services, Inc.
