

Notice of Customer Meeting

PUBLIC SERVICE COMMISSION

The FLORIDA PUBLIC SERVICE COMMISSION announces a public customer meeting to which all persons are invited. A customer meeting was initially held on August 24, 2009. Subsequent to that customer meeting, it was discovered that the initial customer notice failed to indicate that the final proposed rates for the base facility charge do not include minimum gallon amounts and that all gallonage will be billed separately. A second customer notice is being provided to provide this further clarification. This second notice of customer meeting is being offered to allow customers to express any additional comments and concerns with the company's proposed final rates.
