Subject: Additional information for MCD

Good afternoon Stephanie, I see that you have been busy working up orders. Three of yours are being issued today, but I need to have some addition information to list in MCD.

They are:

Dkt. 090154-SU - Notice of abandonment of wastewater system for The Village of Lakeland Mobile Home Park in Polk County, by West Lakeland Wastewater, Inc.:

On this one I need to have the following:
receiver's Name and title: Michael Smallridge, Receiver

Mailing and location addresses: mailing address: 15827 Cedar Elm Terr., Land O Lakes, FL 34638
Location of utility remains the same.
Phone and Fax numbers: Voice 352/302-7406

E-mail address: utilityconsultant@yahoo.com

Also, does the class of service still remains "C,"; and the type of corporation still remains "Sub S Corporation"? That is what we currently have listed in MCD for the utility. For now, this information stays the same.

Dkt. 080272-WS -Application for certificates to provide water and wastewater service in Charlotte and DeSoto Counties by Sun River Utilities, Inc.:

Need the following:
Type of Class: Class C for now
Corporation type: for profit corp

Dkt. 090232-WS - Joint application for authority to transfer assets and Certificate Nos. 404-W and 341-S in Orange County from Wedgefield Utilities, Inc. to Pluris Wedgefield, LLC.:

Need the following:
Type of Class: Class A
Corporation type: Limited Liability Company

LWS 929

~~Effective date that the transfer occurred:~~ in the future Sept 17, 2009
(as I could not find it listed in the text of the order (could be I overlooked it), nor in the ordering paragraphs. With no date listed we normally use the date that the order was issued, unless you advise us that the effective date is the date of the Commission's vote. At the present time I have listed the effective date as 9-8-09 date of the order, as I am working on today's orders, but can change that if necessary.)
