Ms. Killian / Ms. Royer.

Please accept this as DSL Internet's formal request to escalate the attached CRN to Second Level. Our dispute has been denied without detailing the specific reasoning behind the decision made. Regardless, DSL Internet has still not been provided with the detail for the amount billed (\$188,820.59) which is the actual amount being disputed. It was surprising to learn that AT&T was actually expecting DSL Internet to pay on amount billed that was just thrown on an invoice without the proper detail and/or supporting data. As a matter of fact, DSL Internet has already asked for the detailed breakdown and/or supporting data and was promised to get it and we are still waiting.

Please get back to us as soon as possible. We hope you understand the urgent nature of this matter. Your

prompt response would be greatly appreciated.
