Public Service Commission

Dear Chairman Carter and Commissioners:

Yesterday, I selected two new appointees to the Public Service Commission whose terms will take effect on January 2, 2010. Currently, the Commission is in the midst of two significant rate cases. I respectfully request that the Commission postpone the final decision on the pending hearings until after the new commissioners take office. Given the potential impact that the outcome of these cases will have on Florida consumers; I believe it is important that these commissioners have the opportunity to fully participate in the process.

Sincerely,

A handwritten signature in black ink that reads "Charlie Crist".
