**RE:** RE: Commission Order No. PSC-09-0524-TRF-EQ in Docket No. 090165 (Close the Docket Request)

On April 1, 2009, Tampa Electric Company (TECO) filed a petition for approval of a standard offer contract for small qualifying facilities and producers of renewable energy, opening Docket No. 090165. On July 29, 2009 Commission Order No. PSC-09-0524-TRF-EQ instructed TECO to file within 30 days of June 30, 2009, a revised standard offer contract and associated tariff, excluding the right of first refusal for tradeable renewable energy credits (TREC's), and granted staff administrative authority to approve the revised standard offer contracts and associated tariff. TECO, in compliance with the Commission's Order, filed revised language eliminating the right of first refusal for TREC's, and the revised standard offer contract and associated tariff were administratively approved by staff.

Staff believes that TECO has satisfied the requirements of the Commission's Order, and requests that this docket be closed. Thank you for your assistance.
